Chapel by the Sea is a member church of the
Presbyterian Church USA (PCUSA).
As a particular church in the denomination
the chapel is a purple church, not just in Lent
or during election cycles, but purple, meaning
ALL are welcome!
Purple symbolizes possibilities, promises, and
prophecies based on Jesus' truth and God's love
and the wisdom of the Holy Spirit.

God is not for one political party or the other.
*"The politics of Jesus invites us to live each and
every aspect of our lives with eyes wide open
to the realities of the exercise of power and those
who are the powerless, victims of power exercised
without regard to justice and peace".*
John Howard Yoder

A small group is now forming at the chapel
to have real talk concerning topics of our time.
Let us know if you have a topic to suggest
and join us to continue the conversation in
mutual respect for Jesus' sake.

In Christ's ministry,
Pastor Linda
